

# EHCP & SEN Support Services

## *How can we help?*

- Recognising when a child needs additional support
- SEN Support
- Understanding your rights
- Education, Health and Care Plans (EHCPs)
- Annual Review of an EHCP

**We offer specialised services for parents and carers of children and young people with Special Educational Needs (SEN) aged 0-25, to assist you in navigating SEN processes.**

*We are a team of specialised independent SEN advisers, fully trained in SEN law and with particular expertise in understanding the needs of autistic and/or ADHD pupils and how best to support them.*

### **Bridget Livsey - Specialist ADHD & Autism Coach & Independent SEN Adviser**

Diagnosed in adulthood, Bridget is passionate about raising the understanding of autism and ADHD among the wider population, in order to support neurodivergent individuals to be able to be their true, authentic selves, free of stigmatisation and marginalisation.
